Salus University Speech Language Institute Launches First Stuttering Support Group

Elkins Park, PA – A series of support meetings for people who stutter, their family and friends and those who wish to learn more about stuttering have been scheduled on the second Wednesday of each month from 7 to 8 p.m. at the Speech-Language Institute (SLI) of Salus University, 8380 Old York Road, Suite 2100, Elkins Park, PA 19027. As a chapter member of the National Stuttering Association, SLI provides a safe environment for individuals to share their personal experiences and techniques. Various topics will be covered each week as well as a chance for group discussion.

The sessions are led and facilitated by clinical educator Shelley Slot, MS, CCC-SLP and two speech-language pathology students Rachael Borman '18 and Julia Kessel '18. Their mission in creating the group is let those who stutter know that they are not alone.

For information on joining the group and upcoming meeting dates, contact the Speech-Language Institute at 215-780-3150 or SLInstitute@salus.edu, or visit: <http://www.salusuhealth.com/Speech-Language-Institute/Contact-Us/Join-a-Support-Group.aspx> .
