**Dr. Mark Moster to Discuss Neuro-Ophthalmologic Emergencies at Salus University
Grand Rounds Program**

Elkins Park, Pa. – On Friday, August 12 from 7:30 to 8:45 a.m., Mark Moster, MD will discuss neuro-ophthalmologic emergencies as part of the Salus University Pennsylvania College of Optometry (PCO) Grand Rounds program at The Eye Institute. Dr. Moster will review several neuro-ophthalmologic emergencies to assist optometrists in recognizing presentations that need immediate attention to prevent visual loss or adverse medical outcomes. Open to local eye care providers at no charge, the goals of the program are to develop a network of professionals to share information and strengthen clinical knowledge, to foster professional development in the optometric community and to provide continuing education opportunities.

Dr. Moster is an attending on the neuro-ophthalmology service at Wills Eye Hospital and a professor of neurology and ophthalmology at the Sidney Kimmel Medical College of Thomas Jefferson University in Philadelphia. He is director of the neuro-ophthalmology fellowship at Wills Eye Hospital and holds appointments at Drexel University, Temple University and Einstein Medical Center in Philadelphia, where he is also chair of neuro-ophthalmology. Past roles include senior associate chairman of neurology at Temple University, chairman of neurosensory sciences at Einstein Medical Center and president of the Philadelphia Neurological Society.

Dr. Moster is a member of the Walsh Neuro-Ophthalmology Society, North American Neuro-Ophthalmology Society, Association for Research in Vision and Ophthalmology, Philadelphia Neurological Society, a fellow in the American Academy of Neurology, Neuro-ophthalmology Neuro-otology (NONO) Section of American Academy of Neurology and North American Neuro-Ophthalmology Society. He is also a fellow of the College of Physicians of Philadelphia and North American Neuro-Ophthalmology Society. . He has been named Top Doctor numerous times in Philadelphia Magazine as well as Best Doctors in America. In addition, he has received the Senior Achievement Award from the American Academy of Ophthalmology.

Dr. Moster earned a medical degree from SUNY Upstate Medical School in Syracuse. He completed a neurology residency at the University of Pittsburgh School of Medicine and a neuro-ophthalmology fellowship at Wills Eye Hospital in Philadelphia. Additionally, he completed research training in cerebral saccadic control at Temple University School of Medicine.
