

Dr. Mark A, Friedberg, M.D.
Founding Editor of The Wills Eye Manual

After graduating with top honors from Brown University Undergraduate and being selected to the medical honor society at the University of Pennsylvania School of Medicine, Dr. Friedberg was chosen to be one of 12 residents at the renowned Wills Eye Hospital where he did his training. He was then selected to be the coveted, sole retinal trainee for the Washington National Eye Center located at the Washington Hospital Center. He is the founding editor and original lead author of the best selling book in ophthalmology, *The Wills Eye Manual: Office and Emergency Room Diagnosis and Treatment of Eye Disease*. This book is used by eye doctors around the world to help them in managing eye conditions. Dr. Friedberg has also published numerous articles on eye surgery, has given dozens of lectures to societies of eye doctors, and has been a reviewer for eye journals in the past. He has served as a consultant to over 100 different eye doctors and has performed thousands of eye operations. Dr. Friedberg practices in Red Bank and Edison, New Jersey.

Dr. Alan G. Kabat, O.D., FAAO

Dr. Alan Kabat is an honors graduate of Rutgers University and the Pennsylvania College of Optometry. He completed this residency training in 1991 at John F. Kennedy Memorial Hospital in Philadelphia. From 1993 to 2013, Dr. Kabat served as faculty in the college of Optometry at Nova Southeastern University, Fort Lauderdale, Florida. Presently, Dr. Kabat is a professor at the Southern College of Optometry in Memphis, Tennessee. He is Instructor of Record for Anterior Segment Ocular Disease and Attending Physical in the Advanced Care Ocular Disease Service at the Eye Center. Dr. Kabat also serves as Clinical Care Consultant for TearWell Advanced Dry Eye Treatment Center, a service that he helped to develop at SCO.

Dr. Kabat has published extensively in the optometric literature, and serves in an editorial capacity for *Review of Optometry Times*, *Refractive Eyecare*, *Optometric Physician* and *Optometric Office*. Additionally, Dr. Kabat lectures regularly on topics of ocular and oculosystemic disease. He has been invited to speak in numerous venues in regions throughout the world including Canada, Central and South America, the Caribbean, the South Pacific, Europe and Africa.
