

The College of Health Sciences, Education and Rehabilitation offers a 23-month, entry-level Master of Science in Occupational Therapy (MSOT) degree program, designed to give students the basic skills they need as a direct care provider, consultant, educator, manager, researcher and advocate for both the profession and the consumer.

OCCUPATIONAL THERAPY

MASTER OF SCIENCE

Why Salus?

- Fieldwork education, or apprenticeship, is an integral part of the MSOT program
- Cadaveric dissections led by an anatomist
- Distinguished, highly dedicated faculty
- Emphasis on clinical skills development and evidence-based practice
- Integration of cutting-edge technologies to prepare students for new and evolving clinical skills
- Commitment to the ongoing professional and personal development and the success of each student

ADMISSIONS CHECKLIST

- ☐ Complete an application at OTCAS
- ☐ Complete a bachelor's degree (minimum overall GPA of 3.0 recommended)
- ☐ Complete the prerequisite coursework with a grade of 'B-' or higher
- ☐ Submit three letters of recommendation
- ☐ Shadow a licensed occupational therapist(s) in both pediatric and adult settings (recommended but not required)
- ☐ Submit GRE exam scores (optional)

For specific details on the above admissions requirements and deadlines visit salus.edu/admissions

Mission of Salus University's Occupational Therapy Program

The mission of the Salus University Occupational Therapy (OT) program is to provide an interprofessional academic experience that is grounded in the core principles of occupation and influenced by emerging knowledge and technologies, leading to improved health and well-being for the individuals, communities and populations that graduates will serve.

Accreditation

The Salus MSOT program is fully accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) (acoteonline.org) of the American Occupational Therapy Association (AOTA)
