

PCO Honors Dr. Verma with Plaque, Reception

Family, friends and colleagues attended an event April 14, 2022, to honor Dr. Satya Verma — who joined the PCO faculty in 1971 — on his retirement at the end of 2021 after 50 years of service at the institution.

A plaque unveiling in Dr. Verma's name of the externship suite on the Elkins Park, Pennsylvania, campus kicked off the festivities. A small reception followed at the Hafter Student Community Center, where several of Dr. Verma's colleagues described his contributions to the College and University.

Dr. Verma was joined at the reception by his wife Asha, their two daughters, Pooja and Kajal, and their families, including four grandchildren, ages six to 16 — Mia, Jackson, Ajai and Rahul.
