Since 1919, Salus University (home of the Pennsylvania College of Optometry) has been educating professionals in health sciences and rehabilitation. Salus currently enrolls students both on-campus and around the world with more than 14,000 alumni.

Salus University's three colleges offer distinctly innovative curricula that feature interprofessional education and early exposure to clinical training and fieldwork. Hands-on skills are learned in state-of-the-art teaching laboratories and direct patient care is mastered in our community-based clinical facilities as well as hundreds of participating practice sites across the country and many around the world.

Total Staff: 350 Employees
