

Master of Science

Occupational Therapy

Drexel University, Elkins Park Campus, offers a 23-month, entry-level Master of Science in Occupational Therapy (OT) degree program, designed to give students the essential skills they need as a direct care provider, consultant, educator, manager, researcher and advocate for both the profession and the consumer.

Why Drexel?

- Fieldwork education, or apprenticeship, is an integral part of the MSOT program.
- Cadaver dissections led by an anatomist.
- Distinguished, highly dedicated faculty.
- Emphasis on clinical skills development and evidence-based practice.
- Integration of cutting-edge technologies to prepare students for new and evolving clinical skills.
- Commitment to the ongoing professional and personal development and the success of each student.

Admissions Checklist

- ☐ Complete an application at OTCAS.
- ☐ Complete a bachelor's degree (minimum overall GPA of 3.0 is recommended).
- ☐ Complete the prerequisite coursework with a grade of 'C' or higher.
- ☐ Submit letters of recommendation.
- ☐ Shadow a licensed occupational therapist(s) for a minimum of eight hours (30 hours of observation in both pediatric and adult settings is highly recommended).
