Low Vision Rehabilitation

The Department of Blindness and Low Vision Studies offers a Master of Science (MS) degree and Certificate Program in Low Vision Rehabilitation (LVR).

Why Drexel?

- The interdisciplinary programs in the Blindness and Low Vision Studies department prepare professionals to work effectively in clinical rehabilitation and educational settings with people of all ages who have low vision. Emphasis is placed on a team approach to implementing low vision assessments and interventions.
- The Low Vision Rehabilitation coursework and supervised fieldwork experience satisfy the requirements for certification by the Academy for the Certification of Vision Rehabilitation and Education Professionals (ACVREP).
- The LVR program offers full-time and part-time options, and the majority of the curriculum is taught online, with a summer residency on campus, and an internship.

ADMISSIONS CHECKLIST

- ☐ Complete an application at GradCAS.
- ☐ Complete a bachelor's degree.
- ☐ Submit a CV/Resume.
- ☐ Write a Statement of Purpose.
- ☐ Submit three letters of recommendation.

For specific details on the above admissions requirements and deadlines, visit **[Drexel.edu/ElkinsPark/Admissions](https://drexel.edu/ElkinsPark/Admissions)**.
