

*Drexel University, Elkins Park Campus, offers a 23-month, entry-level Master of Science in Occupational Therapy (MSOT) degree program, designed to give students the essential skills they need as a direct care provider, consultant, educator, manager, researcher and advocate for both the profession and the consumer.*

# Occupational Therapy

## Master of Science

### Why Drexel?

- Fieldwork education, or apprenticeship, is an integral part of the MSOT program.
- Cadaveric dissections led by an anatomist.
- Distinguished, highly dedicated faculty.
- Emphasis on clinical skills development and evidence-based practice.
- Integration of cutting-edge technologies to prepare students for new and evolving clinical skills.
- Commitment to the ongoing professional and personal development and the success of each student.

### ADMISSIONS CHECKLIST

- ☐ Complete an application at OTCAS.
- ☐ Complete a bachelor's degree (minimum overall GPA of 3.0 is recommended.)
- ☐ Complete the prerequisite coursework with a grade of 'C' or higher.
- ☐ Submit letters of recommendation.
- ☐ Shadow a licensed occupational therapist(s) for a minimum of 8 hours (30 hours of observation in both pediatric and adult settings is highly recommended.)

*For specific details on the above admissions requirements and deadlines, visit [Drexel.edu/ElkinsPark/Admissions](https://drexel.edu/ElkinsPark/Admissions).*

# Occupational Therapy Mission

The mission of the Occupational Therapy Department (OT) on the Drexel University, Elkins Park Campus, is to provide an interprofessional academic experience grounded in the core principles of occupation and influenced by emerging knowledge and technologies, leading to the improved health and well-being for the individuals, communities and populations that graduates will serve.
