DON'T GIVE UP THE SHIP

America's shipyards need skilled workers – our national security depends on it.
(MORE) COLLEGE PRESIDENTS WHO SERVED

IN THE OCTOBER ISSUE OF G.I. JOBS

we published our first list of College Presidents Who Served. We knew then it wouldn’t be a comprehensive list, as we were sure to miss a few. When the list was published, several schools reached out to let us know they, too, are led by military veterans. So here are (More) College Presidents Who Served:

Patrick Jones, Ph.d
Chancellor
Penn State Schuylkill
Schuylkill Haven, Pa.
Air National Guard (1988–2011)
Colonel (O-6)

Michael Mittelman, Ph.d
President
Salus University
Elkins Park, Pa.
Navy (1980–2013)
Rear Admiral (upper half)

Chris Thropp
President
SAGE Truck Driving Schools
Camp Hill, Pa.
Army (1983–1987)
Captain (O-3)

*President Thropp was included in the first list published in the October issue. However, his military information and school location was incorrect. Our apologies for the error.
