Salus University started 2024 fully immersed in the details of the impending merger with Drexel University. Throughout the year, the University's students, faculty, alumni and staff attained numerous goals and experienced many accomplishments. Here's a month-to-month look at the most interesting stories of 2024. [Read more](#)

[Where Are They Now: Kurt Moody, OD '83, FAAO](#)

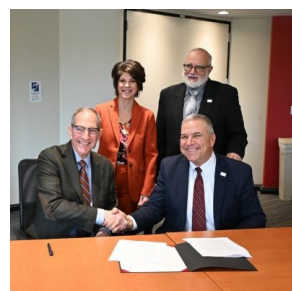

When he was at the [Pennsylvania College of Optometry \(PCO\)](#), Kurt Moody, OD '83, FAAO, thrived. His career, spanning four decades, includes 12 U.S. and international patents in contact lens design. As he looks ahead, he's preparing for the next chapter - retirement and the launch of his own consulting company. [Read more](#)

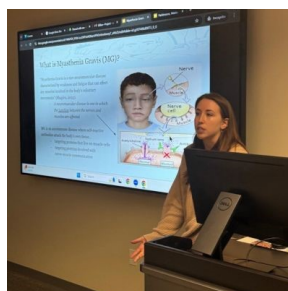

[Osborne College of Audiology Dean: Victor Bray, 2009-2016](#)

When [George S. Osborne, PhD, DDS, AuD \(honorary\)](#), the founder of the Pennsylvania College of Optometry (PCO) School of Audiology, died suddenly and unexpectedly in 2007, the program was left without its guiding light. Fortunately, Dr. Osborne had left a written blueprint of his vision for the future of the program and the profession, a plan that would greatly benefit the next leader: [Victor Bray, MSC, PhD, FNAP](#).
