[Elkins Park Campus Programs Ranked Among the Top Careers](#)

Almost all of the graduate programs offered at the Elkins Park, Pennsylvania campus are connected to professions ranked among the nation's best health care jobs, according to U.S. News and World Report Best Healthcare Jobs of 2026 rankings.

To reach its conclusions, U.S. News and World Report analyzed data about salary, unemployment rate and growth prospects to select the top jobs for the year.

Several of the high-ranking professions are being taught at this location, including [Physician Assistant](#) at No. 2; [Speech-Language Pathologist](#) at No. 3; [Occupational Therapist](#) at No. 6; [Orthotist and Prosthetist](#) at No. 15; [Optometrist](#) at No. 20 and [Audiologist](#) at No. 37.

[Love at First Glance: An Interprofessional Romance](#)

It started with just a passing glance but it was the closest thing to love at first sight that either had experienced. And, they both knew it.

In the winter of 2022, Maya Johnson '26AUD, was coming out of the library on the Elkins Park campus of Drexel University at

the same time Kendrick Crawford, OD '25, was coming in. "I was like 'Wow, he is very attractive.' I was staring at him, but this was my first year in grad school, and I didn't want to get sidetracked," said Johnson.

Dr. Crawford experienced a similar feeling. "I thought, 'Ohhh, who's that? I haven't seen her before.' We made eye contact for a second, but we just kept walking. I was hoping I'd see her again," he said.

It was at that point that fate said never mind, I'll take it from here.
