3. FACULTY RESPONSIBILITIES

- 3.1 Faculty are responsible for monitoring student performance throughout the term, and providing students with performance feedback consistent with the course grading outline and syllabus.
- 3.2 A syllabus will be distributed for each course and will describe the course instructor, course description, prerequisites, course learning goals and outcome measures, course requirements, attendance policies, ethical conduct and disability support services, course schedule, evaluation and grading, assignments and assessments, and learning materials.
- 3.2 Faculty and the Program Director and Dean recommend to the Provost/Vice President for Academic Affairs students for the awarding of degrees based on program requirements.
- 3.3 Faculty are required to use their Salus University email account when communicating with students, faculty, staff and administrators at Salus University.

4. STUDENT RESPONSIBILITIES

- 4.1 Students are expected to check their Salus University e-mail account daily as some correspondence from faculty may be time dependent. In addition, all students are expected to check their Salus University email accounts on a daily basis, including during weekends, breaks, holidays and other unassigned times for the duration of the account life.

OCCUPATIONAL THERAPY ACADEMIC POLICY

reading or responding to any mail sent by students that is not sent from Salus University e-mail accounts.

5. NON-DEGREE STUDENTS

- 5.1 An individual may request to officially enroll in selected courses within the curriculum as a non-matriculated student by obtaining written permission from the appropriate Program Director and registering for the course within the College registration period.
- 5.2 This non-degree registration is recorded as Non-matriculated (NM) on the student's transcript.
- 5.3 A regular course fee is applied to non-matriculated courses.
- 5.4 No more than nine (9) semester hours of credit are permitted for students not matriculated in a College Certificate or Master's program.
- 5.5 Upon matriculation into a certificate or degree program, a student receiving "B" or better may receive credit for courses in that certificate or degree program with written permission of the Program Director and the Dean of the College or their designee.

6. PROGRAM PREREQUISITES

- 6.1 Specific prerequisite requirements can be found in the current University catalog as well as on the Salus University Website.
- 6.2 Successful completion of the courses, acceptable transfer of credit from another institution, or satisfactorily passing an exemption examination may fulfill prerequisite requirements. Each student must meet with their Program Director (or their designee, e.g., Program Advisor), to develop and sign their individualized Program of Studies.

7. PATIENT CARE/DIRECT CARE ASSIGNMENTS / CLINICAL PRIVILEGES

This section is not applicable for this Program.

8. ACADEMIC CALENDAR AND CLASS SCHEDULES

- 8.1 The University Calendar provides the beginning and ending dates for each term as well as University holidays.
- 8.2 Any commitments scheduled on days reserved for academic activities are made at the student's own risk.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 8.3 Clinical/fieldwork activities may be scheduled on any day during the academic program. Outside commitments scheduled at any point during the academic program are made at the student's own risk.
- 8.4 Class Schedules are distributed prior to a specific term. Each course syllabus will define its class schedule and requirements.
- 8.5 The University Calendar, the College Calendar and Class Schedules are subject to change due to extenuating circumstances.

9. ATTENDANCE

- 9.1 Attendance is mandatory for all learning activities such as lectures, observations, meetings, conferences, and fieldwork and internship activities as specified by the course instructor and defined in the syllabus. This applies to face-to-face, synchronous and asynchronous on-line activities.
 - 9.1.1 Poor attendance is defined as excused or unexcused absences as follows per course: >1 or a 1 credit course; >2 for a 2 credit course; >3 for a 3 or more credits. Poor attendance alone may result in a grade of Failure (F). No more than 10 absences are permitted within a semester, including for fieldwork experiences. Students with more than 10 absences per semester will need to meet with the Program Director and Dean to determine ability to continue in the program.
- 9.2 A syllabus will be distributed for each course and will describe the course requirements, grading, attendance policies, ethical conduct and disability support services.
- 9.3 Each student is responsible for ensuring their own individual access to and use of current technology to meet the attendance requirements of on-line learning.
 - 9.3.1 Arriving late to didactic and fieldwork activities may result in an unexcused absence at the discretion of the course instructor and/or site supervisor.
- 9.4 **Attendance for Fieldwork Activities**
 - 9.4.1 Attendance at Fieldwork sites is mandatory.
 - 9.4.2 The hours and days of professional responsibilities are determined by the Site Supervisor and Academic Fieldwork Coordinator consistent with the site placement's calendar.
 - 9.4.3 If illness, supervisor vacations, or other circumstances prevent a student from maintaining their schedule, the appropriate Academic Fieldwork Coordinator should be notified immediately.

OCCUPATIONAL THERAPY ACADEMIC POLICY

9.4.4 The Site Supervisor, in consultation with the Academic Fieldwork Coordinator, Director will determine how and when student absence(s) will be made up.

9.4.5 All excused absences must be made up for Level I fieldwork experiences. The number of allowable days that a student may miss Level II fieldwork is at the discretion of the fieldwork site so long as it does not exceed three full days' time equivalence. Make up days and placement time extensions will be made at the discretion of the fieldwork site and in collaboration between the Site Supervisor and Academic Fieldwork Coordinator.

9.4.6 All work must be completed within a period of time designated by the site supervisor and Academic Fieldwork Coordinator. If making up for excused absences takes the student beyond the semester, the student will receive an Incomplete (I) until the required work is complete (see Section 13.4 – Incomplete). Each student must meet their respective national professional standards and rotation length.

9.5 Excused Absences from Didactic Activities

9.5.1 For an anticipated absence, a student is required to submit documentation prior to the absence to the Dean of Student Affairs and notify the respective faculty member(s) prior to the beginning of class., Any student who is absent from a required course activity must complete and submit an absence-approval request form with required documentation to the Dean of Student Affairs and consult with the faculty member(s) regarding make-up work in order for the absence to be considered excused.

9.5.2 For an unanticipated absence (e.g., accident, family death, etc.) a student is required to submit proper documentation within 48 hours following their return to educational/programmatic activities to the Dean of Student Affairs. In the case of an unanticipated absence (barring an extreme medical situation), students are required to email the instructor(s) before the start of the class they will be missing and contact the Dean of Student Affairs. If a student misses an exam, he or she must provide documentation from a physician regarding the illness, which must be turned in to the Program Director and the Dean of Student Affairs.

9.5.3 Excused absences may include, but are not limited to, the following:

9.5.3.1 A statement from a physician that at the time of the mandatory activity, the student was under their care and too ill to take the examination or to attend the learning activity.

9.5.3.2 A statement from a physician that a member of the student's immediate family was seriously ill and required the student's presence.

9.5.3.3 A death in the student's immediate family. The relationship of the deceased to the student and the date of the death must be provided.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 9.5.3.4 Documented failure of normal or auxiliary means of transportation, when appropriate (e.g., fieldwork).
- 9.5.3.5 A substantive personal event such as student's wedding.
- 9.5.3.6 Childbirth (see maternity and paternity policy of the University).
- 9.5.3.7 Educational or professional considerations, e.g., attendance at a professional meeting. The course instructor and Program Director must grant approval. The length of the approved absence will be specified. These requests must be made at least two weeks prior to the desired absence.
- 9.5.4 The determination of whether an absence not specifically covered above is excused shall be decided by the Dean of Student Affairs.
- 9.5.5 All work missed during an excused absence must meet the criteria set forth by the course instructor prior to receiving a grade. All work must be completed by the end of the term; exceptions may be made by the Program Director.
- 9.5.6 If absences are excessive, a student may be required to take a leave of absence or withdraw from the course and repeat the course at a later time.

9.6 Unexcused Absences from Didactic and Direct Service Activities

- 9.6.1 An unexcused absence is any absence that does not meet the criteria for being an excused absence, as outlined in the above sections. This policy applies to all face-to-face, synchronous and asynchronous on-line, and direct service activities.
- 9.6.2 Unexcused absences from program activities will result in a zero for any academic activities that occur during the period of the unexcused absence. A student will not be allowed to take a makeup exam in the case of an unexcused absence.
- 9.6.3 A pattern of unexcused absences could also result in dismissal from the University for unprofessional conduct.
- 9.6.4 A student may be placed on academic warning, probation, or be removed from course activities by the Program Director if the student fails to meet course responsibilities because of consistent lack of attendance/participation in instructional activities. These matters may then be referred to the appropriate Committee on Academic Promotions for review and further action.

10. ELECTIVE COURSES

This section is not applicable for this Program.

OCCUPATIONAL THERAPY ACADEMIC POLICY

11. COURSE CONCERNS / ACADEMIC ENVIRONMENT

- 11.1 Course problems should be initially discussed between the instructor(s) and the student and, if necessary, with the Program Director. If the concerns are not resolved satisfactorily, then they should be brought to the attention of the Dean of the College or their designee.
- 11.2 In the event that the Dean is the course instructor or is otherwise a direct participant in the underlying dispute, then the student should contact the Provost/ Vice President of Academic Affairs.
- 11.3 Classroom discrimination or sexual harassment concerns should be brought to the attention of the Dean of the College or Affirmative Action Officer or the Provost/Vice President of Academic Affairs.

12. EXAMINATIONS

12.1 General Policies

- 12.1.1 Examinations provide the opportunity for instructors to evaluate and for students to demonstrate academic progress. The policies stated in the sections below refer to both face-to-face and on-line course examinations.
- 12.1.2 Exam policies and procedures for a course will be included in the course syllabus, which will be distributed at the beginning of each term. The student is responsible for understanding these policies. Questions or concerns should be directed to the appropriate course instructor.
- 12.1.3 Infractions of the examination policies are considered serious offenses. Any student guilty of infractions will be penalized in an appropriate manner, including the possibility of expulsion from Salus University. These matters will be referred to the Dean of Student Affairs and potentially the Judicial Committee for review and further action.
- 12.1.4 Course instructors will include in the course syllabus the relative weights to be given to various examinations, and evaluation procedures used in determining the final grade.

12.2 Examination Schedules

- 12.2.1 Exam schedules are determined by the course instructor and are identified in each syllabus.
- 12.2.2 Examination schedules are subject to change for academic or unanticipated reasons.
- 12.2.3 In the event of an emergency situation, information will be provided about school closing through the RAVE system. Students should consult the Student Handbook for additional information regarding an Emergency School Closing.

OCCUPATIONAL THERAPY ACADEMIC POLICY

12.3 Examination Attendance

12.3.1 Students are required to take examinations as scheduled. If a student is ill and is unable to take the examination, they must notify the course instructor, Program Director and Dean of Student Affairs prior to the exam and have their physician submit a written report of the illness. In cases of other emergencies (e.g., death of immediate family member), the instructor, Program Director and Dean of Student Affairs should be notified and may authorize an excused absence from the exam. Unexcused absences will result in a grade of zero (0) for the missed exam. Rescheduling of examinations for excused absences will be at the discretion of the course instructor.

12.3.2 A student must be registered for any given course before he or she may take the course's examinations. No credit will be received for any course for which the student is not formally registered. The Registrar's Office is responsible for ensuring that only registered student receives a grade for a registered course.

12.4 National Examinations

12.4.1 Passage of a national examination(s) is not included as part of CHER program requirements. However, passage of such examinations is required for licensure as an occupational therapist. Therefore, the taking of such examinations is recommended.

12.4.2 Students should consult their discipline's professional organization, state, and other appropriate websites for general information and registration procedures. All other questions should be directed to the Program Director.

12.4.3 When undertaken, each student is encouraged to release their national test scores to the College, as these scores provide information vital to the University's ongoing curriculum assessment efforts.

13. ASSESSMENT AND GRADES

13.1 Grading System

13.1.1 All students are expected to pursue the highest standards of academic excellence.

13.1.2 At the conclusion of a course, a grade will be recorded for each enrolled student (on a schedule determined by the Registrar) according to the following grading system:

13.1.3

Grade	Range	Interpretation	Grade Points Earned per Term Hour
A	93.00 – 100.00	Indicates exceptional performance	4.00

OCCUPATIONAL THERAPY ACADEMIC POLICY

B	83.00 – 86.99	Indicates good performance	3.00
B-	80.00 – 82.99		2.70
C+	77.00 – 79.99		2.30
C	73.00 – 76.99	Indicates minimally acceptable performance	2.00
F	≤ 72.99	Failure – Unsatisfactory performance	0.00
*See Section 13.2.1 for minimum grade requirements by course type.			
Other Designations		No Grade Points Earned	
H	Honors – Outstanding performance	Assigned credit earned	
P	Pass – Satisfactory performance	Assigned credit earned	
CR	Credit		
AU	Audit	No credit earned	
I	Incomplete	No credit earned	
R	Deferred – course work in progress	No credit earned	
W	Withdrawal	No credit earned	

13.2 Failing Grades

- 13.2.1 Failures in courses must be removed within the next academic term in which the course is offered. If the grade of failure is not removed within that time, the student will be dismissed for academic reasons. A grade of C+ or C is considered a passing grade for a maximum of two didactic courses only. Direct service courses (e.g., Fieldwork, Co-teaching, and Internship) require a grade of B or better for a student to pass the course.
- 13.2.2 All Failures must be removed prior to beginning Fieldwork.
- 13.2.3 The highest possible grade for a student who is re-enrolling in a course is “B”.
- 13.2.4 A student who has not removed the failing grade within the above timeframe will not be permitted to continue in the academic program without the written approval of the Dean of the College of Health Sciences, Education and Rehabilitation or their designee.
- 13.2.4.1 After receiving this written approval, a student may be subject to special academic stipulations as determined by the Course Instructor and Program Director, with approval of the Dean of the College or their designee.
- 13.2.4.2 While students are permitted to re-enroll in a failed course one time, students who receive a failing grade twice in the same course will be dismissed from their academic program.

OCCUPATIONAL THERAPY ACADEMIC POLICY

13.3 Fieldwork Grades

13.3.1 At the conclusion of each Fieldwork, grades are rendered by the Academic Fieldwork Coordinator based on the recommendations of both the Site Supervisor and Academic Fieldwork Coordinator.

13.3.1.1 A grade of B or better is required to pass any course that involves direct service.

13.4 Incomplete (I)

13.4.1 The temporary designation Incomplete (I) may be used when a complete course evaluation cannot be rendered because course requirements were not fulfilled due to an excused absence (See Section 9).

13.4.1.1 An Incomplete (I) grade may be given only when the work in a course is not completed and when the faculty determines that a passing grade in the course is attainable.

13.4.2 Incompletes must be resolved within 45 calendar days after the end of the term in which the "I" grade was received.

13.4.2.1 The Dean of CHER may grant an additional 30 calendar day extension period, if written documentation is provided by the student confirming that extenuating circumstances exist. If unresolved after a total of 90 days, the Registrar will change the Incomplete (I) grade to a Failing (F) grade unless the student has been granted a Withdrawal (See Section 13) from the course and a Leave of Absence from the program.

13.4.2.2 An Incompletes (I) in a prerequisite course must be removed prior to beginning the subsequent course.

13.4.2.3 When the Incomplete (I) designation is used, the faculty member will submit to the Registrar, in writing, the reason for the designation of the Incomplete (I) and the student's academic standing in the course to date.

13.4.3 When the Incomplete (I) designation is used, the faculty member will submit to the Registrar, in writing, the reason for the designation of the Incomplete (I) and the student's academic standing in the course to date.

13.4.4 The final grade of a student who receives an Incomplete is the decision of the course instructor.

13.5 Deferred (R)

13.5.1 In certain courses where the normal work of the course extends beyond the scheduled period, a Deferred (R) grade may be granted with prior approval from the course instructor, Program Director, and the Dean of the College or their designee.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 13.5.2 The grade of Deferred (R) may also be assigned with the approval of the Dean of the College or their designee if all required work in a course is completed, but a grade is unable to be determined and additional time is required to consider or investigate a grade.
- 13.5.3 Deferred grades must be resolved within one year after the end of the term in which the grade was earned.
- 13.5.4 For students not in good academic standing, when the deferred (R) designation is used, the course instructor, or the Program Director, will make available to the Registrar, in writing, the tentative student grade based on the student's performance to date.
- 13.5.4.1 The Registrar will transmit this information to the Program Faculty, the Dean of the College or their designee, and to the Committee on Academic Promotions for all students not in good academic standing (i.e., dismissal, probation). This additional information will assist the Program Faculty and/or the Committee on Academic Promotions in evaluating student performance.
- 13.6 Withdrawal (W)**
- 13.6.1 **Withdrawal from a Course:** To withdraw from a required course, a student must obtain the approval of the Program Director. The desire to avoid a low grade is not an acceptable reason for withdrawal from a course.
- 13.6.2 Withdrawals from Fieldwork are subject to the approval of the Program Director and subsequent approval of the Dean of the College or their designee.
- 13.6.3 **Withdraw from a Program:** To withdraw from a program, a student must obtain approval from the Dean of the College or their designee.
- 13.7 Audit (AU)**
- 13.7.1 A student in a degree or certificate program may elect to officially audit any course within the curriculum by obtaining written permission from the course instructor and Program Director. A student then registers for the course during the College registration period.
- 13.7.2 The student is required to provide the Registrar's Office the written approval of the Instructor and the Program Director no later than the tenth (10th) business day of the term.
- 13.7.3 This noncredit registration is recorded as Audit (AU) on the student's transcript. There is no credit earned for auditing a course (See Section 13.1.3).
- 13.7.4 A course audit fee may apply.

OCCUPATIONAL THERAPY ACADEMIC POLICY

13.7.5 Non-degree students may be permitted to audit courses, under special circumstances, with the written approval of the appropriate Program Director.

13.7.6 The Registrar will notify the course instructor when a student has approval to audit a course.

13.7.7 A course taken on an audit basis will not count toward the fulfillment of degree or certificate requirements.

13.8 Drop/Add Period

13.8.1 The Drop/Add Period is the first ten (10) business days of each academic term, unless otherwise stated by the Office of the Registrar.

13.8.2 If a student decides to drop/add a course, they must use the appropriate on-line portal and return it to the Office of the Registrar during this time period. Note that this does not apply to MSOT students.

13.8.3 The dropped course will not appear on the student's permanent record.

13.9 Grade Mediation

13.9.1 A student who has a concern or complaint about a reported grade in a course should first discuss grading practices and determinations with the instructor. It is expected that the student and instructor will address any misunderstandings and will attempt to achieve consensus on any disagreements over grades.

13.9.2 If the student and the instructor disagree about the student's grade, the student may appeal the grade decision, in writing, to the Program Director. If the Program Director is the course instructor, or if the student disagrees with the ruling of the Program Director, an appeal may be made to the Dean of the College.

13.9.3 In the event that the Dean of the College teaches the course in question, the written appeal is made to the Provost/Vice President of Academic Affairs.

13.9.3.1 The decision of the Provost/Vice President of Academic Affairs is final; there is no further appeal within the University.

13.9.4 Any challenge of a course grade must be made within 30 days from the date of issue by the Office of the Registrar.

13.9.4.1 The original grade assigned by the instructor remains on the student's record while the appeals process is in progress and will be changed only if the appeal is successful.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 13.9.4.2 All grades are considered permanent if not challenged within the time frame specified in Section 13.10.
- 13.9.5 A grade change will be recorded in accordance with Section 13.10 of this policy – *Change of Grade*.
- 13.9.6 In the event that a challenge to a grade should arise, copies of sequestered exams, reports, and/or presentations submitted by students are required to be retained by the instructor for a period of one year from the date the grade was posted.
- 13.10 Change of Grade**
- 13.10.1 Once submitted to the Registrar, no grade may be changed without the written consent of the course instructor, Program Director and the Dean of the College.
- 13.11 Grade-Point Average (GPA)**
- 13.11.1 A student's cumulative grade-point average is the weighted mean value of all grade points earned by the student as defined in Section 13.1.3.
- 13.11.2 Grades are used to calculate grade points by multiplying the number of credits for each course by the specified formula assigned to the letter grade. An A=4 grade points, a B=3 grade points, a C=2 grade points, and an F=0 grade points (*e.g., an A in a four- credit course earns the student 16 grade points (4 x 4.0); a B in a four-credit course earns 12 grade points (4 x 3.0), and so on*).
- 13.11.3 The total number of grade points earned divided by the total number of credits used to determine the grade points earned, equals the grade point average.
- 13.11.4 A cumulative grade point average is calculated utilizing only courses taken within each program of study.
- 13.12 Credit by Examination (CR)**
- 13.12.1 Credit by examination is not available for this Program.
- 13.13 Credit by Transfer (CR)**
- 13.13.1 Credit by transfer may be accepted for any course within the curriculum when it is determined that the transfer course is substantially equivalent to that offered by the College. This equivalency will be determined by the course instructor and the Program Director.
- 13.13.2 Only courses in which the student received a grade of B or above will be considered for transfer consideration.
- 13.13.3 The maximum number of semester hour credits a student may earn by transfer is 6 (six) semester hour credits.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 13.13.4 Students who graduated from a program at Salus who wish to add an additional certificate may receive advanced standing credits for courses common to both programs.

14. END OF TERM ACADEMIC STANDING

- 14.1 The course instructor(s) will evaluate the performance of all students registered within a course at the end of each grading period and the instructor of record will submit student grades to the Office of the Registrar.
- 14.2 Following the submission of grades by the faculty, the Office of the Registrar will make official entry of the grades into the student record and the academic standing of each student will be reviewed by the Program Director and the CHER faculty at an Academic Progress Meeting.
- 14.3 Following the Academic Progress Meeting, the Office of the Registrar will notify the student in writing about their academic performance for the semester.
- 14.4 If a student is not making satisfactory progress in the program, they will receive notification from the Dean of the College. The student is required to meet with the Program Director and other individuals as designated.
- 14.4.1 A student is expected to take action to resolve their academic difficulties with the assistance of the individuals and services available to the student.
- 14.5 Failure to comply with directives from the Dean of the College or their designee and/or Program Director may result in dismissal of the student from the academic program. The matter may then be referred to the Committee on Academic Promotions for review and further action.
- 14.6 **Categories of Academic Standing**
- 14.6.1 **Satisfactory Academic Standing**
- 14.6.1.1 Students are in satisfactory academic standing when progressing in the curriculum and attaining a cumulative grade point average (GPA) greater than or equal to 3.0 and with no more than two grades of C+ or C (between 73 and 79.99) in didactic coursework, or no failing (F) grade earned during the term being reviewed to determine the student's academic standing.
- 14.6.1.2 A student must be in good academic standing prior to beginning Internship.

OCCUPATIONAL THERAPY ACADEMIC POLICY

The student receives a grade lower than B in Fieldwork.

- 14.6.2.1 Students on Academic Probation with more than two grades of C or C+ must fulfill the reenrollment procedure and remediate the C/C+ grade for one of the courses as per the Program Director's decision in consultation with the course instructor and the CHER Dean. The Program Director will advise the student which course(s) will be remediated.
- 14.6.2.2 Academic Probation status for students with grade point averages below 3.0, or more than two grades below an 80, is removed by obtaining a cumulative GPA greater than or equal to 3.0 at the end of the subsequent semester and/or remediating all required courses.
- 14.6.2.3 When students are placed on Academic Probation, they are required to consult with the Center for Personal and Professional Development. The student is expected to take action to resolve his or her academic difficulties with the assistance of the Office of Academic Success. Failure to meet with this Office may result in the student being brought before the Committee on Academic Promotions. Students are also required to meet with their Program Director.
- 14.6.3 Academic Dismissal** – A student will be dismissed from the academic program when:
- 14.6.3.1 The student does not achieve the required cumulative 3.0 grade point average (GPA), (excluding earned grades of "F" within the prescribed reenrollment period), within the next semester following being placed on academic probation, if the student is full-time.
- 14.6.3.2 The student does not achieve the required cumulative 3.0 grade point average (GPA), (excluding earned grades of "F" within the prescribed reenrollment period), within the next 6 credits following being placed on academic probation.
- 14.6.3.3 The student receives two final failing grades (C+ or lower) for the same course.
- 14.6.3.4 The student fails a Level II Fieldwork experience with two other course grades below B-.
- 14.6.4 Dismissal for Other Reasons**

- 14.6.4.2 These reasons may include, but are not limited to, his or her demeanor, base knowledge, character, as well as any form of cheating, plagiarism,

OCCUPATIONAL THERAPY ACADEMIC POLICY

unprofessional conduct or failure to pass a required criminal background check. Students are to read the *Salus University Student Code of Conduct* for additional information.

- 14.6.4.3 The College assigns great importance to the ability to conduct oneself in a professional manner. Demonstration of deficiencies in this quality is viewed by the College as evidence that the student is not suited to a professional career and constitutes adequate cause for dismissal regardless of academic performance.

15. SATISFACTORY ACADEMIC PROGRESS

- 15.1 All students are expected to pursue the highest standards of academic excellence.

- 15.2 A student who is experiencing academic difficulty should, at their earliest opportunity, first speak with the course instructor as well as the appropriate Faculty Advisor followed by the Program Director regarding their performance.

- 15.2.1 Secondly, the student should contact the Office for Academic Success regarding personal counseling opportunities, or other related matters.

- 15.2.2 Thirdly, the Dean of the College or their designee should also be contacted to discuss the student's academic performance.

- 15.3 Under normal circumstances, a matriculated student must complete all didactic course work in no more than 5 years (not including approved Leaves of Absence) and each student must present evidence of continuing to make satisfactory academic progress at all times. The Dean of the College or their designee, in conjunction with the CHER Program Director, must approve any exceptions to this total length of program.

16. ENROLLMENT

- 16.1 The University expects that all candidates for degrees and certificates will normally be enrolled during consecutive academic periods until the completion of the requirements for the degree or program have been completed. Exceptions must be approved by the Program Director.

17. REMEDIATION & RE-ENROLLMENT

- 17.1 A student will be required to re-enroll in a course where they have earned a failure (F) or have not met the minimum 3.0 GPA requirement.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 17.2 A student repeating credits through reenrollment is required to re-register for those credits with the Office of the Registrar during the College registration period.
- 17.2.1 A reenrollment charge per credit will be applied.
- 17.3 Reenrollment may be accomplished through a variety of mechanisms including, but not limited to:
 - 17.3.1 Attending the course at its regularly scheduled time, satisfying the attendance and academic requirements of the course.
 - 17.3.2 Special examination, if approved by the Program Director and the Dean of the College or their designee.
- 17.4 Required reenrollment must be completed as soon as the course is offered again.
- 17.5 The highest possible grade that can be earned is a B.
 - 17.5.1 The new grade earned by reenrolling in the course is recorded on the transcript.
 - 17.5.2 With reenrollment, the original grade earned remains on the transcript, but will not be used to calculate the new cumulative grade-point average.
- 17.6 A student who reenrolls once in a course and does not achieve a passing grade will be dismissed from the College and may appeal to the Committee on Academic Promotion for further review and action.

18. COMMITTEE ON ACADEMIC PROMOTIONS (CAP)

18.1 Composition of the Committee on Academic Promotions

- 18.1.1 The College of Health Sciences, Education and Rehabilitation Committee on Academic Promotions (CHER CAP) is a standing committee of the College charged with reviewing academic reinstatement appeals from students in all programs within CHER.
- 18.1.2 The members of the CHER CAP include four (4) full-time CHER faculty members, one of whom serves as Committee Chairperson.
 - 18.1.2.1 The Dean of the College appoints all members of the CHER CAP, including the Chairperson, for a one-year, renewable term beginning in September. The Chairperson will only vote in the event of a tie and typically serves at least two consecutive terms.
- 18.1.3 There will be a standing alternate member for each voting member of the committee in the event of illness or unavailability of a named CHER CAP

OCCUPATIONAL THERAPY ACADEMIC POLICY

member or where a CHER CAP member has recused themselves or been disqualified either with or without reason.

18.1.4 The Dean of Student Affairs, representatives from the Office of the Registrar, the Center for Personal and Professional Development, and the Office of Academic Affairs are ex-officio, non voting members of the Committee on Academic Promotions.

18.1.5 The three voting faculty members and the Committee Chairperson must be present to consider an appeal for reinstatement.

18.2 Responsibilities of the Committee on Academic Promotions

18.2.1 The role of the CHER CAP is to hear an appeal for reinstatement from any student who has been dismissed based on criteria outlined in, but not limited to, Section 14.

18.2.2 A dismissed student will receive a letter from the Dean of the College informing them of the process to appeal dismissal.

18.2.3 The CAP will only consider and act upon the student's written petition to appeal.

18.2.4 The CAP will review grades, scores, and summaries concerning professional development and any extenuating circumstances, i.e., events beyond the student's control that are submitted by the student and/or faculty. The CAP may request additional material as needed. All written material for consideration by the CAP must be submitted 48 hours prior to the scheduled hearing.

18.2.5 The CAP shall then make a decision either to:

18.2.5.1 Uphold the dismissal, or

18.2.5.2 Reinstatement the student, either immediately, or at a future date if warranted by exceptional circumstances.

18.2.6 If the CAP decision is to reinstate the student, the prerogatives of the committee may include, but are not limited to, requiring the student to:

18.2.6.1 Enroll in a course of study;

18.2.6.2 Continue matriculation on a modified or decelerated program;

18.2.6.3 Repeat specific courses or direct service activities even if previously passed;

18.2.6.4 Repeat an academic year of study;

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 18.2.6.5 Obtain academic counseling;
- 18.2.6.6 Obtain academic, medical, or psychological evaluation.
- 18.2.7 The student's Program Director will review the stipulations put forth by the CAP to ensure feasibility of enacting the stipulations and to determine the student's final curriculum/course scheduling and requirements.
- 18.2.8 The student will be required to meet all the criteria outlined in the letter of reinstatement within the required designated time period.
- 18.2.9 A student who has been dismissed for academic reasons and is appealing their dismissal is not eligible for reenrollment in any course, nor may they participate in any Direct Service activities, clinical experiences, practicum activities, or complete any assessments. Students may, however, continue participation in didactic course work unless otherwise prohibited until the formal appeals process is exhausted.
- 18.2.10 Re-enrollment may occur only after the student is formally reinstated.
- 18.2.11 The Program Director and the Offices of Academic and Student Affairs will closely monitor the performance of all reinstated students. Their continuance within the Program will depend on their compliance with the terms of their reinstatement.

19. REINSTATEMENT AND DISMISSAL APPEAL

19.1 Reinstatement Without Appeal

19.1.1 A student who has been dismissed for academic reasons may be reinstated to the College's academic program, upon the recommendation of the Program Director to the Faculty and with the approval of the Dean of the College or their designee, without having to formally appeal to the Committee on Academic Promotions.

19.1.2 A student will be so notified in writing by the College of the conditions of reinstatement within five (5) business days of the date of the Academic Progress Meeting.

19.2 Reinstatement with Appeal

19.2.1 A student who is dismissed for academic reasons and not granted Reinstatement Without Appeal (see Section 19.1) has the right to request a personal hearing for Reinstatement with Appeal with the Committee on Academic Promotions.

19.2.2 A student who is dismissed for academic reasons must notify the Office of the Registrar in writing no later than three (3) business days after receipt of notification of academic dismissal from the Dean of the College of their intention to appeal the dismissal.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 19.2.2.1 A student who fails to contact the Office of the Registrar three (3) business days of receipt of notification of dismissal will forfeit their right to appeal.
- 19.2.3 If the student wishes to appeal the dismissal, the appeal should be addressed to the CAP and submitted to the Registrar. Included in this letter of appeal should be a written explanation of why the student feels that their appeal for reinstatement should be considered and granted by the Committee on Academic Promotions. The student must also indicate if they will appear in person before the Committee on Academic Promotions.
- 19.2.4 A student requesting an appeal will have a hearing scheduled with the Committee on Academic Promotions and be notified of the scheduled time at least 5 business days in advance of the hearing should they wish to appear in person before the Committee.
- 19.2.5 The student must submit all other information and supporting documents in writing to the Chairperson of the Committee on Academic Promotions, via the Office of the Registrar, at least two (2) business days prior to their scheduled appeal. Please see Section 19.3.1.1 for information on supporting documents.
- 19.2.5.1 The Committee will have access to all documents submitted by the student and faculty pertinent to the appeal, the student's complete files, student transcripts provided by the Registrar, and documentation of previous appeals, if applicable.
- 19.2.6 The student may also make an oral presentation to the Committee during the appeal hearing; however, such a presentation is not required.
- 19.2.7 If the student chooses not to appeal, the student must notify the Registrar within three (3) business days of receipt of notification of dismissal.
- 19.2.8 The Registrar must make a formal notation in the student's Permanent Record File concerning the student's choice regarding appeal.
- 19.3 Conduct of the Appeal Hearing**
- 19.3.1 The hearing shall be conducted in such a manner as to give the student the full opportunity to explain the reason for their unsatisfactory academic performance.
- 19.3.1.1 Consideration is given to possible extenuating circumstances (i.e., events beyond the student's control) which may have interfered with academic responsibilities and performance. Examples of such circumstances include personal illness, serious illness in the immediate family, or a death of an immediate family member. Verifiable evidence of such circumstances is required to be submitted to the Committee as part of the written statement of

OCCUPATIONAL THERAPY ACADEMIC POLICY

appeal. This may include letters from physicians or other healthcare providers, obituary notices or a copy of a death certificate.

- 19.3.2 The student should realize that unsatisfactory performance based on poor or unwise judgment, (e.g., spending too much time on strictly nonacademic activities such as working inside or outside the College, participation in student activities, and/or poor study habits) is not an acceptable explanation for poor academic performance.
- 19.3.3 A primary focus of the Committee is determining the student's potential for future academic success. Extenuating circumstances alone may not provide sufficient reason for reinstatement of the student. The Committee on Academic Promotions grants reinstatement only if the Committee is convinced that the student is capable of making marked improvement in their academic performance. The student has the right to provide written letters of support from faculty members or other directly relevant individuals.
- 19.3.4 The hearing will be conducted in a manner as to provide a fair evaluation of the student's performance. It will not be restricted unduly by rules of procedure or evidence, nor shall deviations from prescribed procedures invalidate a decision or proceeding unless significant prejudice to a student may result.
- 19.3.5 The appeals process is not a formal legal proceeding. Although a student may seek and retain legal counsel at the student's own expense, the role of legal counsel is limited to advising the student. Legal counsel may attend the hearing but may not actively participate in the hearing as an advocate to examine witnesses, to make opening or closing statements, to direct discussion or to present the student's case on his or her behalf. Securing the availability of counsel at the scheduled hearing time and date is the responsibility of the student. A student who wishes to exercise the option of legal counsel must notify the Office of the Registrar, in writing, at least (2) business days in advance.
- 19.3.6 The student's academic standing is determined at Academic Progress Meetings Appeal hearings will be held as soon as possible after Academic Progress meetings. The hearing will be scheduled based on the availability of Committee members and may include evenings or weekends.
- 19.3.7 Requests for an extension to an appeal should be in writing by the student, addressed to the Committee on Academic Promotions and submitted to the Office of the Registrar at least two (2) business days prior to their scheduled hearing. Extensions may be granted when the presence of extenuating circumstances has been established clearly, or when a strong case has been made that additional information pertinent to the appeal cannot be made available by the time the appeal would be heard normally.

OCCUPATIONAL THERAPY ACADEMIC POLICY

- 19.3.8 The hearing will be private. The Chairperson will determine the number of persons to be admitted to the hearing. Those attending will treat all information confidentially. The Chairperson on a need-to-know basis will address any requests for information concerning a hearing made by other College administrators.
- 19.3.9 The hearing shall be electronically recorded. The recording remains the property of the University and will be secured by the Office of the Registrar. If the student appellant wishes to obtain a transcribed copy of the hearing, a written request must be submitted to the Registrar. A fee will be charged to cover the transcription expense.
- 19.3.10 Any member of the Committee may recuse or decline participation in any hearing because of conflict.
- 19.3.11 The student may disqualify one voting member of the Committee without stating a reason. A request to disqualify more than one member of the Committee requires a written explanation and must be approved by both a majority of the voting Committee members and the Chairperson of the Committee. This written correspondence should be submitted to the Office of the Registrar. The student must notify the Committee of any requested disqualification at least three (3) business days in advance of their scheduled hearing.
- 19.3.12 The Office of the Registrar will provide the complete Program file and academic record of each dismissed student for review by member of the Committee on Academic Promotions at the hearing. The Committee may also seek written or verbal statements of evaluation from faculty and staff in regard to the student's academic record, potential, personal characteristics, and/or ask such individuals to appear before the Committee.
- 19.3.13 The student shall be promptly notified in writing by the Dean of the College of the action of the Committee on Academic Promotions, including all requirements set forth by the Committee, within five (5) business days following the hearing. Should the Committee require further information or time for deliberation, the student will be informed of the date by which a decision is to be rendered beyond the five (5) business days.
- 19.4 Advisement and Assistance Available to Students Regarding the CAP**
- 19.4.1 The Dean of Student Affairs is available to:
- 19.4.1.1 Interpret for students the actions of the Committee on Academic Promotion.
- 19.4.1.2 Inform students of recommendations rendered during Academic Progress meetings concerning unsatisfactory academic performance and/or behavioral concerns but will not attribute comments to specific faculty members.

- 19.5.3 This letter of appeal must be addressed to the Dean of the College of Health Sciences, Education and Rehabilitation and received in the Office of the Registrar within five (5) business days, subsequent to the day of the student's receipt of the letter notifying him/her of the actions of the Committee on Academic Promotion.
- 19.5.4 The Dean of the College or their designee must consider every case in which a student requests an appeal.
- 19.5.5 The Dean of the College will commence consideration of the appeal within five (5) business days, not including the day the appeal is received in the Office of the Registrar, after receipt of the letter of appeal.
- 19.5.6 Students may also elect to have forwarded to the Dean of the College written statements from faculty members or other directly related individuals in support of their appeal.
- 19.5.7 The Dean of the College, after consulting with the members of the Committee on Academic Promotions, will consider and rule on the appeal.
- 19.5.8 The final ruling will be made within ten (10) business days, not including the day the student's letter of appeal is received in the Office of the Registrar.
- 19.5.8.1 Should the Dean of the College require additional time for deliberation, the student will be informed of the date by which a decision is to be rendered beyond the ten (10) business days. The Dean's decision on the appeal may uphold, modify or reverse any previous decision.
- 19.5.9 The student shall be notified in writing of the decision of the Dean of the College concerning the appeal.

- 19.6.2 The request must be made by the student in writing and addressed to the Dean of the College of Health Sciences, Education and Rehabilitation and must be limited to an administrative review, indicating alleged improprieties in the hearing before the Committee on Academic Promotions or new information which was unavailable to the student at the time of the hearing before the Committee on Academic Promotions. The faculty member or administrative official may, through discussions with the student, concur with the challenged points and correct or delete the information accordingly. Those corrections or deletions must be made in writing. - 24.3.1.4.1 It must be noted that the University or College is not permitted to send to other agencies or individuals copies of non-Salus University transcripts, admission test scores, or National Examination score results, or other non-Salus University score reports or information. Requests for copies of those

OCCUPATIONAL THERAPY ACADEMIC POLICY

transcripts or scores must be made directly to the organizations that originally provided such information.

- 24.3.2 The Office of the Registrar will prepare transcripts of students based upon information in the student file. The student must request in writing the persons, institutions, or licensing boards to which the letters or transcripts are to be sent. The student may also request a copy of the transcript(s) and may challenge the accuracy of the information to be transmitted. The initial challenge should be made to the Registrar, who prepares the letter or transcript, with the ultimate appeal to the Dean of Student Affairs.

OCCUPATIONAL THERAPY ACADEMIC POLICY

25. STUDENTS WITH DISABILITIES

25.1

Salus University complies with federal and state regulations regarding students with disabilities. The University is committed to ensure that all students have equal access to educational opportunities at the University so that they can participate freely and actively in all facets of University life. Salus University, therefore, will make an effort to provide students with reasonable academic accommodations. Students requesting academic accommodations should contact the Office of Academic Success (OAS). Students have the responsibility for requesting assistance and for providing documentation of conditions that may warrant academic accommodations. Once the Director of the OAS has determined that a student has a disability-related need for accommodations, the Director of OAS and the student will address those needs with the student's course instructor(s) and the Program Director to inform them of the specific accommodations. Students may request formal Fieldwork accommodations through OAS. The Academic Fieldwork Coordinator will attempt to locate a fieldwork site that can accommodate the requests. Students who feel that their abilities may limit fieldwork specific tasks (such as indicated in the Occupational Therapy Fieldwork Manual) are strongly encouraged to meet to discuss these concerns with the Academic Fieldwork Coordinator as early as they are identified to limit potential disruption to fieldwork schedules.

25.2

A student who does not register each semester with the OAS is not permitted to receive accommodation and may not petition the course instructor(s) directly.
