

## O&P Program Earns Initial Accreditation

Salus University's [Orthotics and Prosthetics \(O&P\)](#) program has been granted initial accreditation from the Commission on Accreditation of Allied Health Education Programs (CAAHEP), effective March 15, 2024. According to program director [J. Chad Duncan, PhD, CRC, CPO, LPO](#), the initial accreditation is only awarded to programs that have successfully demonstrated compliance with rigorous standards, ensuring the best possible educational experience for students. The next comprehensive evaluation of the program is scheduled for no later than 2029. In the meantime, the National Commission on Orthotic and Prosthetic Education (NCOPE) will perform annual reviews to monitor the program's compliance.

## Hearing the Echoes of Excellence: 25 Years of Osborne Audiology

Salus University's current [Osborne College of Audiology \(OCA\)](#) was originally established with a mission to elevate global standards in audiology, a commitment it has steadfastly upheld, solidifying its position as one of the nation's premier audiology programs. Although the name has changed since its inception, that's what it has done since launching the Doctor of Audiology (AuD) degree in 2000 making it one of the leading audiology programs in the country.
